Subject: **MTI working hours**

Dear Boards of Governors, MTIs Khyber Pakhtunkhwa,

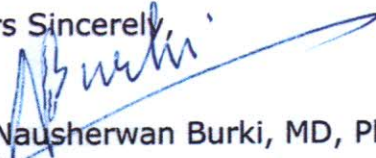

During my recent review of various MTIs I was very concerned to find that many MTIs were in violation of the MTIR Act and regulations in terms of their working hours and continuing to keep the old hours of 8 am to 2pm 6 days a week, so the hospital is essentially closed except for emergencies after 2pm, and staff only work 6 hours a day.

The Regulations (item 23) stipulate that regular working hours for employees will be from 8:00 am to 4:30 pm, including a thirty-minute lunch break, five days a week.

However, timings may vary for employees working in shift-based departments as the Hospital works in three shifts.

I would be grateful if you could confirm these working hours at your institutions.

Yours Sincerely,

Dr. Nausherwan Burki, MD, PhD, FRCP, FRCPE, FCCP
Chairman
Policy Board, Khyber Pakhtunkhwa
