Subject: **HMIS systems in KP MTIs**

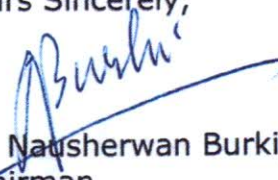

Dear Chairmen and Board members,

During my recent visits to the MTIs I was saddened to see that even after 10 years several MTIs have not managed to fully install the HMIS system donated free of charge by the Shaukat Khanum Memorial Trust.

The Policy board has now recruited a group of highly qualified informational technology (IT) experts to assist the MTIs to install and maintain their HMIS systems. Later, we hope to install the same system in the peripheral hospitals to allow the total KP health system to communicate digitally.

We will be in touch with you shortly for our IT experts to review the status of your HMIS system and draw up plans to fully implement it. In this regard of course your full cooperation will be necessary. It is our hope that we can have the HMIS systems fully functional in all KP MTIs within approximately 6 months.

Yours Sincerely,

Dr. Nausherwan Burki, MD, PhD, FRCP, FRCPE, FCCP
Chairman
Policy Board, Khyber Pakhtunkhwa
